Dear Sterling,

TACA is the day to day organization serving families living with autism and your generous gift enables us to continue offering 95% of our programs and services at no cost to our families. Thank you for your donation of \$5,000.00 received on 6/22/2017, and making a difference for the 1 in 68 U.S. children living with autism.

TACA has grown from a small local support group into a multi-faceted, family-centered, health promotion, advocacy and education organization. TACA's mission is simple—to educate, empower and support families affected by autism. TACA achieves this mission by providing comprehensive resources, education and support services to over 50,000 families in the United States.

TACA believes in early diagnosis, intensive therapies and medical intervention for children affected by autism. With early intervention, medical treatment unique to each person's needs and necessary support services for families, many children can improve greatly and some can recover from their autistic symptoms. TACA believes the future is not defined for those affected by autism. Hope and recovery is possible.

TACA is creating change in lives everywhere and we want to thank you for helping us do so. Thank you for your contribution on behalf of the families we serve.

Sincerely,
