

Special Olympics

Virginia - Area 13

Serving the Counties of Frederick and Clarke, and the City of Winchester

Dear Fairways for Youth,

Dec. 31, 2016

We are deeply grateful for your generous 2016 donation in support of our local program, Area 13 Special Olympics Virginia.

As you know, Special Olympics provide year round sports training and athletic competition for people with mental and physical disabilities. Children and adults with intellectual and physical disabilities who participate in Special Olympics develop improved physical fitness and motor skills, greater self-confidence, and a more positive self image. It also provides an opportunity to socialize in a safe and accepting environment. The Special Olympics organization allows athletes to participate in a sports program that may not be available to them otherwise. These programs are offered at no cost to the athletes or their family.

Area 13 Special Olympics is completely funded thru donations and the fundraising efforts of our committed *volunteer* staff. All funds and donations go directly to the athletes that benefit from the programming, not to pay for salaries. Again we appreciate your generous donation. Without your support we could not continue to offer this much needed service.

Sincerely,

Tina Hall
