Virginia - Area 13

Serving the Counties of Frederick and Clarke, and the City of Winchester

Dec. 2017

Dear Fairways for Youth,

We are deeply grateful for your generous donation in support of our local program, Area 13 Special Olympics Virginia!

As you know, Area 13 is committed to the mission of Special Olympics:

To provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

More than just sports, Special Olympics gives athletes an outlet for social interaction, stepping out towards increased self-confidence, and a place to participate in good, clean fun in an accepting environment.

Since Area 13 Special Olympics is funded solely through donations, and manned by a completely volunteer staff, your donation makes it possible for programming to continue to be offered at no cost to our athletes and their families.

Thank you for helping improve the lives of local athletes and for being a fan of dignity, acceptance and joy!

Sincerely,

Tina Hall
