Dear Sterling:

Your support of the Discovery Museum's Children's Scholarship Fund has a powerful ripple effect. You fuel the Museum's capacity to serve the educational needs of families where in Winchester alone, 38% of families live below the poverty level. Providing access to the Museum through free or reduced admissions and programs helps these families to enjoy being a part of the larger community.

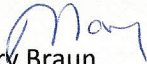

Simultaneously, your support enables the Museum to serve as a dynamic crossroads where all can share the joys of playful learning. Your donation of \$500.00 together with other generous gifts specifically promotes:

- HeadStart students to receive Museum programming and instruction. Opportunities for Big Brothers/ Big Sisters to mentor and learn together.
- Children living in shelters to venture forth to join others in interactive play
- Foster families support in Museum admission and camp expenses.
- And other social service organizations supported by the United Way receive Museum benefits.

Thank you for helping to make this possible. Should you wish to set up a recurring gift to continue fueling the Children's Scholarship Fund, please go online at <http://discoverymuseum.net/support-us>.

Know that the ripple effects continue to expand!

With sincere appreciation,

  
Mary Braun  
Executive Director
