

*“Our lives have changed so much in 3 years.” --Northern VA parent of an autistic son.*

Thank you Fair Ways for Youth for providing the funds needed to start a TACA regional chapter in Northern VA. As a Coordinator for the NOVA Chapter, I have been able to help bring in expert speakers and hold events to educate families about programs and services to make the challenges of autism a bit more palatable. FWFY continues to support us as we support families throughout the region.

TACA is the only autism organization that brings free assistance directly to families through its Journey Guides, coffee talks, educational meetings and one-on-one mentor support. Fair Ways for Youth has been invaluable in our ability to continue these services.

---Coordinators, Northern VA Regional TACA Chapter

The TACA NOVA Regional Chapter encompasses the counties of Fairfax, Prince William, Frederick, Clark, Loudoun and neighboring cities and towns.
